

**PETITION IN SUPPORT OF AUTHENTIC  
ABSTINENCE CURRICULUM**

To Whom It May Concern,

I would like to go on record in support of our current “Sunshine State” abstinence standard of educating our children as found in Florida Statute Title 48, Chapter 1003, Section 46 *which states*;

- Teach abstinence from sexual activity outside of marriage as the expected standard for all school-age students while teaching the benefits of monogamous heterosexual marriage.

Furthermore, let it be known that we stand in opposition to a school based curriculum that would be classified as Comprehensive Sex Education or Abstinence Plus, including *Get Real about AIDS*.
